Subject Index*

A

Adolescence
Depression in adolescents (Castiglia). 2000;14:180-2 (Growth and Development)
HIV infection: a retrospective analysis of adolescent high-risk behaviors (Lynch et al). 2000;14:20-5
Oral contraceptive pills: considerations for the adolescent patient (Cromwell and Daley). 2000;14:228-34
Perceived stress, social support, and affectionate behaviors of adolescent mothers with infants in neonatal intensive care (Christopher et al). 2000;14:288-96
Position statement on health risks and needs of gay, lesbian, bisexual, and transgender adolescents. 2000;14(3):28A
Adoption
Risk and protective factors in children adopted from the former Soviet Union (McGuinness et al). 2000;14:109-16
AFPNP/AP Update
AFPNP/AP Update. 2000;14:142-3
African-Americans; *see* Blacks
Aftercare
Making the transition: pediatric lung transplantation (Stubblefield and Murray). 2000;14:280-7
AIDS serodiagnosis
Position statement on mandatory HIV testing in health care workers. 2000;14(1):24A
Anesthetics, local
Comparing two methods of topical anesthesia used before intravenous cannulation in pediatric patients (Squire et al). 2000;14:68-72
Antibiotic prophylaxis
Early-onset neonatal group B streptococcal infection: implications for practice (Parks et al). 2000;14:264-9
Antihypertensive agents
Hypertensive emergencies in children (Porto). 2000;14:312-9 (Pediatric Pharmacology)
Antiviral agents
New pediatric antiretroviral agents (Collura and Kraus). 2000;14:183-92 (Pediatric Pharmacology)

***January/February, pp 1-42; March/April, pp 43-90; May/June, pp 91-146; July/August, pp 147-206; September/October, pp 207-260; November, pp 261-334.**

Arnold-Chiari malformation
Adolescent with upper extremity numbness after exercise (Jonides). 2000;14:320, 328 (Clinical Insights)
Arrhythmia
Cardiac arrhythmias in children (Starr and Freitas-Nichols). 2000;14:127-9 (Patient Management Exchange)
Asthma
What parents of children with asthma tell us (Kieckhefer and Ratcliffe). 2000;14:122-6

B

Blacks
Teen club: a nursing intervention for reducing risk-taking behavior and improving well-being in female African American adolescents (Tuttle et al). 2000;14:103-8

C

Catheterization
Comparing two methods of topical anesthesia used before intravenous cannulation in pediatric patients (Squire et al). 2000;14:68-72
Cavities; *see* Dental caries
Certification
New certified pediatric nurse practitioners. 2000;14:327
Chest pain
Chest pain in children: diagnosis through history and physical examination (Evangelista et al). 2000;14:3-8
Child abuse, sexual
Do pediatric nurse practitioners recognize sexual abuse? (Hornor and McCleery). 2000;14:45-9
Evaluation of sexual abuse in the pediatric patient (McClain et al). 2000;14:93-102
Child development
Risk and protective factors in children adopted from the former Soviet Union (McGuinness et al). 2000;14:109-16
The specialist role of the music therapist in developmental programs for hospitalized children (Kennelly). 2000;14:56-9
Child, preschool
Evaluating health and safety knowledge of preschoolers: assessing their early start to being health smart (Mobley and Evashevski). 2000; 14:160-5
Child-rearing
Nurturing the social and emotional development of children, a.k.a. discipline (Gottesman). 2000;14:81-4 (Patient Education Review)
Parents are the best toy (Nelms). 2000;14:147-8 (Editorial)
Chlamydia infections
Screening and treatment of sexually transmitted diseases part 1: chlamydia, gonorrhea, and bacterial vaginosis (Lahoti et al). 2000;14:34-6 (Practice Guidelines)
Cleft lip
Management of cleft lip and palate in primary care (Mitchell and Wood). 2000;14:13-9
Cleft palate
Management of cleft lip and palate in primary care (Mitchell and Wood). 2000;14:13-9
Clinical Insights
Adolescent with upper extremity numbness after exercise (Jonides). 2000;14:320, 328
An adolescent with osteoporosis (Jonides). 2000;14:133, 144-6
Case of a school-aged child with a limp and hip pain (Cadou). 2000;14:250-1, 259-60
Case of an adolescent girl with abnormal liver enzymes (Noonon and Ott). 2000;14:37, 41-2
Child with incontinence (Martin). 2000;14:76, 89-90
More red toes (Walsh). 2000;14:193, 205-6
Clinical protocols
Cardiac arrhythmias in children (Starr and Freitas-Nichols). 2000;14:127-9 (Patient Management Exchange)
Community health nursing
Teen club: a nursing intervention for reducing risk-taking behavior and improving well-being in female African American adolescents (Tuttle et al). 2000;14:103-8
Community health services
Medical assessment of children going into emergency out-of-home placement (Hobbie et al). 2000;14:172-9
Confidentiality
Position statement on health risks and needs of gay, lesbian, bisexual, and transgender adolescents. 2000;14(3):28A
Contraceptives, oral
Oral contraceptive pills: considerations for the adolescent patient (Cromwell and Daley). 2000;14:228-34
Cooperative behavior
Developing collaborative practice agreements (Heitz and Van Dinter). 2000;14:200-3 (Professional Insights)
Cultural diversity
An added dimension to the pediatric health maintenance visit: the spiritual history (McEvoy). 2000;14:216-20

D

Databases
Medical assessment of children going into emergency out-of-home placement (Hobbie et al). 2000;14:172-9
Dental caries
Fluoride supplementation and caries prevention (Record et al). 2000;14:247-9 (Practice Guidelines)
Depression
Depression in adolescents (Castiglia). 2000;14:180-2 (Growth and Development)
Depression in children (Castiglia). 2000;14:73-5 (Growth and Development)
Diagnostic techniques and procedures
Adolescent with upper extremity numbness after exercise (Jonides). 2000;14:320, 328 (Clinical Insights)
An adolescent with osteoporosis (Jonides). 2000;14:133, 144-6 (Clinical Insights)
Cardiac arrhythmias in children (Starr and Freitas-Nichols). 2000;14:127-9 (Patient Management Exchange)

Depression in children (Castiglia). 2000;14:73-5 (Growth and Development)
Do pediatric nurse practitioners recognize sexual abuse? (Hornor and McCleery). 2000;14:45-9
Evaluation of sexual abuse in the pediatric patient (McClain et al). 2000; 14:93-102
More red toes (Walsh). 2000;14:193, 205-6 (Clinical Insights)
Neurofibromatosis: an elephant by another name (Vernon). 2000;14:244-6 (Patient Management Exchange)
Diagnostic techniques, obstetrical and gynecological
Methods for managing pelvic examination anxiety: individual differences and relaxation techniques (Hennigen et al). 2000;14:9-12
Dietary supplements
Dietary supplements for children (Castiglia). 2000;14:309-11 (Growth and Development)
Disease management
Hypertensive emergencies in children (Porto). 2000;14:312-9 (Pediatric Pharmacology)
Pediatric end-stage renal disease: incidence, management, and prevention (Balinsky). 2000;14:304-8
Disease transmission, professional-to-patient
Position statement on mandatory HIV testing in health care workers. 2000;14(1):24A
Drug industry
The garden of good and evil: pharmaceutical companies and the prescriptive practices of PNPs (Kessenich). 2000;14:324-6 (Professional Insights)
Dyslexia
Vision therapy for learning disabilities and dyslexia (Starr). 2000;14:32-3 (Patient Management Exchange)

E

Editorials
Anticipatory guidance—it's worth the effort (Nelms). 2000;14:43-4
No-spill sippy cups (Rychnovsky). 2000;14:207-8
Parents are the best toy (Nelms). 2000;14:147-8
Spring—enjoy it! (Nelms). 2000;14:91-2
The gifts we give and receive (Nelms). 2000;14:261-3
We need clinicians to write! (Nelms). 2000;14:1-2
Education, nursing
Nurses who lead the way (Beauchesne). 2000;14:142-3 (AFPNP/AP Update)
Educational measurement
School-based support for urban adolescent mothers (Meadows et al). 2000;14:221-7
Erythema
More red toes (Walsh). 2000;14:193, 205-6 (Clinical Insights)
Evaluation studies
Study compares performance of nurse practitioners and physicians (Brady). 2000;14:140-1 (Literature Review)
Expert testimony
Expert witness testimony in medical liability cases (Parks et al). 2000;14:85-7 (Professional Insights)

F

Family relations
Risk and protective factors in children adopted from the former Soviet Union (McGuinness et al). 2000;14:109-16
Fecal incontinence
Child with incontinence (Martin). 2000;14:76, 89-90 (Clinical Insights)
Fluorosis, dental
Fluoride supplementation and caries prevention (Record et al). 2000;14:247-9 (Practice Guidelines)
Foster home care
Medical assessment of children going into emergency out-of-home placement (Hobbie et al). 2000;14:172-9

G

Genitalia, female
Do pediatric nurse practitioners recognize sexual abuse? (Hornor and McCleery). 2000;14:45-9
Letters to the editor (Harrison). 2000;14:204 (Letter); (Hornor and McCleery). 2000;14:204 (Letter reply)
Gonorrhea
Screening and treatment of sexually transmitted diseases part 1: chlamydia, gonorrhea, and bacterial vaginosis (Lahoti et al). 2000;14:34-6 (Practice Guidelines)
Growth
Assessment of growth by primary health care providers (Lipman et al). 2000;14:166-71
Growth and development
Depression in adolescents (Castiglia). 2000;14:180-2
Depression in children (Castiglia). 2000;14:73-5
Dietary supplements for children. 2000;14:309-11

H

Health behavior
Evaluating health and safety knowledge of preschoolers: assessing their early start to being health smart (Mobley and Evashevski). 2000;14:160-5
Health personnel
Position statement on mandatory HIV testing in health care workers. 2000;14(1):24A
Health policy
"To err is human": a report from the Institute of Medicine (Havens and Boroughs). 2000;14:77-80 (Legislative News)
Health services
Youth perceptions of comprehensive adolescent health services through the Boston HAPPENS program (Rosenfeld et al). 2000;14:60-7
Hemoglobin SC disease
Letters to the editor (Hendricks-Ferguson et al). 2000;14:88 (Letter Reply); (Nativio). 2000;14:88 (Letter)
Hepatitis, autoimmune
Case of an adolescent girl with abnormal liver enzymes (Noonan and Ott). 2000;14:37, 41-2 (Clinical Insights)
Herpes simplex
Screening and treatment of sexually transmitted diseases part 2: trichomonas, human papillomavirus infection, and genital herpes simplex virus (McClain et al). 2000;14:130-2 (Practice Guidelines)
Hip
Case of a school-aged child with a limp and hip pain (Cadou). 2000;14:250-1, 259-60 (Clinical Insights)
Hispanic Americans
Primary health care for Hispanic children of migrant farm workers (Wilson et al). 2000;14:209-15
HIV infections
Ability of caregivers to read delayed hypersensitivity skin tests in children exposed to and infected by HIV (Cohen et al). 2000;14:50-5
HIV infection: a retrospective analysis of adolescent high-risk behaviors (Lynch et al). 2000;14:20-5
Perceptions of children with HIV infection *when not told for so long*: implications for diagnosis disclosure (Instone). 2000;14:235-43
Youth perceptions of comprehensive adolescent health services through the Boston HAPPENS program (Rosenfeld et al). 2000;14:60-7
Hospitalization
The specialist role of the music therapist in developmental programs for hospitalized children (Kennelly). 2000;14:56-9
Human papillomavirus infections; *see* Papovaviridae infections
Hypertension
Hypertensive emergencies in children (Porto). 2000;14:312-9 (Pediatric Pharmacology)

I

Imagery (psychotherapy)
Measuring imaging ability in children (Kwekkeboom et al). 2000;14:297-303
Immunization
Factors influencing the immunization status of children in a rural setting (Wilson). 2000;14:117-21
Incidence
Pediatric end-stage renal disease: incidence, management, and prevention (Balinsky). 2000;14:304-8
Incontinence; *see* Fecal incontinence; Urinary incontinence
Infant mortality
Early-onset neonatal group B streptococcal infection: implications for practice (Parks et al). 2000;14:264-9
Infant nutrition
Parental understanding of basic infant nutrition: misinformed feeding choices (Hobbie et al). 2000;14:26-31
Infant, premature
Comprehensive primary care follow-up for premature infants (McCourt and Griffin). 2000;14:270-9
Intensive care units, neonatal
Perceived stress, social support, and affectionate behaviors of adolescent mothers with infants in neonatal intensive care (Christopher et al). 2000;14:288-96
Interprofessional relations
Developing collaborative practice agreements (Heitz and Van Dinter). 2000;14:200-3 (Professional Insights)

J

Jurisprudence
Expert witness testimony in medical liability cases (Parks et al). 2000;14:85-7 (Professional Insights)

K

Kidney failure, chronic
Pediatric end-stage renal disease: incidence, management, and prevention (Balinsky). 2000;14:304-8
Kids Imaging Ability Questionnaire (KIAQ)
Measuring imaging ability in children (Kwekkeboom et al). 2000;14:297-303
Knowledge, attitudes, practice
Evaluating health and safety knowledge of preschoolers: assessing their early start to being health smart (Mobley and Evashevski). 2000;14:160-5

L

Learning disorders
Vision therapy for learning disabilities and dyslexia (Starr). 2000;14:32-3 (Patient Management Exchange)
Legislative News
Fifteen lessons in practical politics (Hall). 2000;14:38-40
Fifteen years of accomplishments (Havens). 2000;14:194-9
Improving advocacy through new technology (Shroyer and Williams). 2000;14:134-9
Marketing nurse practitioners is the key to lobbying (Hall). 2000;14:321-3
Politics sets the agenda for children—and for pediatric nurse practitioners (Hall). 2000;14:252-4
"To err is human": a report from the Institute of Medicine (Havens and Boroughs). 2000;14:77-80
Letters to the Editor
Letters to the Editor. 2000;14:88, 204
Literature Review
Literature review. 2000;14:140-1, 249
Liver function tests
Case of an adolescent girl with abnormal liver enzymes (Noonan and Ott). 2000;14:37, 41-2 (Clinical Insights)
Lung transplantation
Making the transition: pediatric lung transplantation (Stubblefield and Murray). 2000;14:280-7

M

Malpractice
Expert witness testimony in medical liability cases (Parks et al). 2000;14:85-7 (Professional Insights)
Medical history taking
An added dimension to the pediatric health maintenance visit: the spiritual history (McEvoy). 2000;14:216-20
Chest pain in children: diagnosis through history and physical examination (Evangelista et al). 2000;14:3-8
Medical liability; *see* Malpractice
Migrant workers; *see* Transients and migrants
Music therapy
The specialist role of the music therapist in developmental programs for hospitalized children (Kennelly). 2000;14:56-9

N

NAPNAP Update
NAPNAP Update (Melnyk). 2000;14(1):22A; 2000;14(2):24A-27A; 2000;14(3):26A; 2000;14(4):21A-23A; 2000;14(5):29A; 2000;14(6):26A-27A
Neurofibromatoses
Neurofibromatosis: an elephant by another name (Vernon). 2000;14:244-6 (Patient Management Exchange)

O

Osteoporosis
An adolescent with osteoporosis (Jonides). 2000;14:133, 144-6 (Clinical Insights)
Outcome and process measurement (health care)
Youth perceptions of comprehensive adolescent health services through the Boston HAPPENS program (Rosenfeld et al). 2000;14:60-7
Outcome assessment (health care)
Study compares performance of nurse practitioners and physicians (Brady). 2000;14:140-1 (Literature Review)

P

Papovaviridae infections
Screening and treatment of sexually transmitted diseases part 2: trichomonas, human papillomavirus infection, and genital herpes simplex virus (McClain et al). 2000;14:130-2 (Practice Guidelines)
Parenting
Getting ready for "the big talk" and beyond (Gottesman). 2000;14:255-8 (Patient education review)
Nurturing the social and emotional development of children, a.k.a. discipline (Gottesman). 2000;14:81-4 (Patient education review)
Parental understanding of basic infant nutrition: misinformed feeding choices (Hobbie et al). 2000;14:26-31
Parents are the best toy (Nelms). 2000;14:147-8 (Editorial)
What parents of children with asthma tell us (Kieckhefer and Ratcliffe). 2000;14:122-6
Patient advocacy
Improving advocacy through new technology (Shroyer and Williams). 2000;14:134-9 (Legislative News)
Patient education
Methods for managing pelvic examination anxiety: individual differences and relaxation techniques (Hennigen et al). 2000;14:9-12
Parental understanding of basic infant nutrition: misinformed feeding choices (Hobbie et al). 2000;14:26-31
What parents of children with asthma tell us (Kieckhefer and Ratcliffe). 2000;14:122-6
Patient Education Review
Getting ready for "the big talk" and beyond (Gottesman). 2000;14:255-8
Nurturing the social and emotional development of children, a.k.a. discipline (Gottesman). 2000;14:81-4
Patient Management Exchange
Cardiac arrhythmias in children (Starr and Freitas-Nichols). 2000;14:127-9
Neurofibromatosis: an elephant by another name (Vernon). 2000;14:244-6
Vision therapy for learning disabilities and dyslexia (Starr). 2000;14:32-3
Pediatric Pharmacology
Hypertensive emergencies in children (Porto). 2000;14:312-9
New pediatric antiretroviral agents (Collura and Kraus). 2000;14:183-92
Perception
Making the transition: pediatric lung transplantation (Stubblefield and Murray). 2000;14:280-7
Perceptions of children with HIV infection *when not told for so long*: implications for diagnosis disclosure (Instone). 2000;14:235-43
Pharmacology
Oral contraceptive pills: considerations for the adolescent patient (Cromwell and Daley). 2000;14:228-34
Phlebotomy
Comparing two methods of topical anesthesia used before intravenous cannulation in pediatric patients (Squire et al). 2000;14:68-72
Physical examination
Evaluation of sexual abuse in the pediatric patient (McClain et al). 2000;14:93-102
Physicians
Study compares performance of nurse practitioners and physicians (Brady). 2000;14:140-1 (Literature Review)
Position Statements
Position statement on health risks and needs of gay, lesbian, bisexual, and transgender adolescents. 2000;14(3):28A
Position statement on mandatory HIV testing in health care workers. 2000;14(1):24A
Position statement on prevention of tobacco use in the pediatric population. 2000;14(3):29A-30A
Practice guidelines
Fluoride supplementation and caries prevention (Record et al). 2000;14:247-9
Screening and treatment of sexually transmitted diseases part 1: chlamydia, gonorrhea, and bacterial vaginosis (Lahoti et al). 2000;14:34-6
Screening and treatment of sexually transmitted diseases part 2: trichomonas, human papillomavirus infection, and genital herpes simplex virus (McClain et al). 2000;14:130-2
Pregnancy in adolescence
School-based support for urban adolescent mothers (Meadows et al). 2000;14:221-7
Preschoolers; *see* Child, preschool
Prescriptions, drug
The garden of good and evil: pharmaceutical companies and the prescriptive practices of PNPs (Kessenich). 2000;14:324-6 (Professional Insights)
President's Message
A message to the membership (Deloian). 2000;14(4):19A-20A (President's message)
Improving the prospects of the world's 6 billionth child (Kelley). 2000;14(2):23A-24A
Leadership: challenges in the changing health care environment (Deloian). 2000;14(5):27A-28A

Primary care and primary health care: defining what we do (Deloian). 2000;14(6):24A-25A
Standing on large shoulders to advocate for children (Kelley). 2000; 14(3):25A
The winds of change (Kelley). 2000;14(1):21A-3A
Preventive health services
Anticipatory guidance—it's worth the effort (Nelms). 2000;14:43-4 (Editorial)
Position statement on prevention of tobacco use in the pediatric population. 2000;14:29A-30A
Teen club: a nursing intervention for reducing risk-taking behavior and improving well-being in female African American adolescents (Tuttle et al). 2000;14:103-8
Primary health care
Assessment of growth by primary health care providers (Lipman et al). 2000;14:166-71
Comprehensive primary care follow-up for premature infants (McCourt and Griffin). 2000;14:270-9
Management of cleft lip and palate in primary care (Mitchell and Wood). 2000;14:13-9
Primary care and primary health care: defining what we do (Deloian). 2000;14(6):24A-25A
Primary health care for Hispanic children of migrant farm workers (Wilson et al). 2000;14:209-15
Professional Insights
Developing collaborative practice agreements (Heitz and Van Dinter). 2000;14:200-3
Expert witness testimony in medical liability cases (Parks et al). 2000;14: 85-7
The garden of good and evil: pharmaceutical companies and the prescriptive practices of PNPs (Kessenich). 2000;14:324-6
Professional practice
Primary care and primary health care: defining what we do (Deloian). 2000;14(6):24A-25A
Role delineation study of pediatric nurse practitioners: a national study of practice responsibilities and trends in role functions (Brady and Neal). 2000;14:149-59
Program evaluation
Medical assessment of children going into emergency out-of-home placement (Hobbie et al). 2000;14:172-9
School-based support for urban adolescent mothers (Meadows et al). 2000;14:221-7
Teen club: a nursing intervention for reducing risk-taking behavior and improving well-being in female African American adolescents (Tuttle et al). 2000;14:103-8
Psychometrics
Measuring imaging ability in children (Kwekkeboom et al). 2000;14: 297-303

R

Relaxation techniques
Methods for managing pelvic examination anxiety: individual differences and relaxation techniques (Hennigen et al). 2000;14:912
Religion and medicine
An added dimension to the pediatric health maintenance visit: the spiritual history (McEvoy). 2000;14:216-20
Renal disease, end-stage; *see* Kidney failure, chronic
Risk-taking
HIV infection: a retrospective analysis of adolescent high-risk behaviors (Lynch et al). 2000;14:20-5
Rural health
Factors influencing the immunization status of children in a rural setting (Wilson). 2000;14:117-21

S

Sex behavior
Position statement on health risks and needs of gay, lesbian, bisexual, and transgender adolescents. 2000;14(3):28A
Sex education
Getting ready for "the big talk" and beyond (Gottesman). 2000;14:255-8 (Patient Education Review)
Sexual abuse; *see* Child abuse, sexual
Sexually transmitted diseases
Screening and treatment of sexually transmitted diseases part 1: chlamydia, gonorrhea, and bacterial vaginosis (Lahoti et al). 2000;14:34-6 (Practice Guidelines)
Screening and treatment of sexually transmitted diseases part 2: trichomonas, human papillomavirus infection, and genital herpes simplex virus (McClain et al). 2000;14:130-2 (Practice Guidelines)
Sick role
Perceptions of children with HIV infection *when not told for so long*: implications for diagnosis disclosure (Instone). 2000;14:235-43
Sickle cell trait
Letters to the editor (Nativio). 2000;14:88 (Letter); (Hendricks-Ferguson et al). 2000;14:88 (Letter Reply)
Sippy cups
No-spill sippy cups (Rychnovsky). 2000;14:207-8 (Guest Editorial)
Smoking cessation
Position statement on prevention of tobacco use in the pediatric population. 2000;14(3):29A-30A
Social perception
Factors influencing the immunization status of children in a rural setting (Wilson). 2000;14:117-21
Social support
Perceived stress, social support, and affectionate behaviors of adolescent mothers with infants in neonatal intensive care (Christopher et al). 2000;14:288-96
Soviet Union, former
Risk and protective factors in children adopted from the former Soviet Union (McGuinness et al). 2000;14:109-16
Streptococcus agalactiae
Early-onset neonatal group B streptococcal infection: implications for practice (Parks et al). 2000;14:264-9
Stress
Perceived stress, social support, and affectionate behaviors of adolescent mothers with infants in neonatal intensive care (Christopher et al). 2000;14:288-96
Survival rate
Comprehensive primary care follow-up for premature infants (McCourt and Griffin). 2000;14:270-9
Synovitis
Case of a school-aged child with a limp and hip pain (Cadou). 2000; 14:250-1, 259-60 (Clinical Insights)

T

Technology
Improving advocacy through new technology (Shroyer and Williams). 2000;14:134-9
Toes
More red toes (Walsh). 2000;14:193, 205-6 (Clinical Insights)
Transients and migrants
Primary health care for Hispanic children of migrant farm workers (Wilson et al). 2000;14:209-15
Trichomonas infections
Screening and treatment of sexually transmitted diseases part 2: trichomonas, human papillomavirus infection, and genital herpes simplex virus (McClain et al). 2000;14:130-2 (Practice Guidelines)
Tuberculin test
Ability of caregivers to read delayed hypersensitivity skin tests in children exposed to and infected by HIV (Cohen et al). 2000;14:50-5
